Public Offer Agreement

General provisions

SuperForex Ltd. (hereinafter referred to as the Company) and an individual or entity, who accepted the Public Offer Agreement and filled in the registration form (hereinafter referred to as the Customer), together referred to as the Parties, entered into the Public Offer Agreement (hereinafter referred to as the Agreement).

1 Definitions

- 1.1 **Account history:** A full list of all completed transactions and non-trading operations conducted on a live account.
- 1.2 **Active account:** The Customer's trading account, where quantity of the executed market lots (1 market lot equals 10 Superforex lots) for the accounting period exceeds 0.2% of the average equity denominated in USD. For a USD 1,000 account, the lot quantity is 2 market lots or 20 Superforex lots. For the opposite trades, only a half of the locked volume is counted as the quantity of executed lots.
- 1.3 **Arbitrage:** A trading strategy which uses "Arbitrage transactions".
- 1.4 **Arbitrage transaction:** An operation when an asset is bought on one market and at the same moment a matching asset is sold on a different market. This price difference is fixed on various exchange markets. The value of the portfolio remains almost unchanged regardless of the

Affiliate Code

** This field is not mandatory.*

The affiliate code is unique to each partner and is attached at the end of the URLs partners use to redirect prospective clients to SuperForex. It is thanks to this affiliate code that our servers keep track of partners' referrals - users who have registered (and made at least one deposit) after following the partner's unique link.
