MT5 Software Important Notice

Dear Client,

As part of our commitment to provide the most reliable service to our clients, we have completed the MT5 maintenance and upgrade on 16th March, 2024.

If you have login issue on the MT5 software, please follow the instructions below to ensure successful login of your PC and Mobile version of MT5 live and demo accounts:

1. Completely uninstall the original MT5 software, to make sure the new version of MT5 can work successfully.
2. Install the latest version of MT5 from our official website or via the installation package after the uninstallation of the old version:

PC: <https://download.mql5.com/cdn/web/vt.markets.pty/mt5/vtmarkets5setup.exe>

iOS: <https://download.mql5.com/cdn/mobile/mt5/ios?server=VTMarkets-Demo,VTMarkets-Live>

Android: <https://download.mql5.com/cdn/mobile/mt5/android?server=VTMarkets-Demo,VTMarkets-Live>

Why do I need to complete ID verification?

The safety of our traders is an utmost priority at VT Markets. ID verification is one of several measures that help us safeguard your account against fraud, corruption, and other forms of compromise.

Successfully completing ID verification will unlock essential features of your account, including the ability to begin trading.

How long does it take to complete ID verification?

Will my ID information be used in any other circumstances?

Identity verification

Verify your identity in order to begin trading.

Please ensure the information in your account application is consistent with the information on your ID.
